Interpret evidence-based guidelines alongside clinical research and precision medicine options specific to lung cancer to improve delivery of care.

Discuss importance of high-quality multidisciplinary approach to coordinated care within lung cancer.

### Accessibility

AdventHealth is committed to making its activities accessible to all individuals. If you have an accessibility request, please provide a description of your need(s), along with your registration.

### Continuing Education

**CME:** AdventHealth Orlando is accredited by the Florida Medical Association to provide continuing medical education for physicians. AdventHealth Orlando designates this live activity for a maximum of 2.0 AMA PRA Category 1 Credit(s). Physicians should claim only credit commensurate with the extent of their participation in the activity.

**MOC:** Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 2.0 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program; and 2.0 MOC points in the American Board of Surgery (ABS) Maintenance of Certification (MOC) program; and 2.0 MOC points in the American Board of Pathology (ABPath) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM, ABS, or ABPath MOC credit.

**Nursing CE:** Nursing Continuing Education Credit Hours have been applied for through the Florida State Board of Nursing Provider Number NCE2012/CEBroker Provider Number #50-724 and are pending approval.
