

Educational Objectives

1. Evaluate current and emerging advances in treatment options for Liver, Pancreas and Biliary Tract Cancers to optimize management of cancer patients.
2. Interpret evidence-based guidelines alongside clinical research and precision medicine options for treatment strategies.
3. Discuss importance of high-quality multidisciplinary approach with the intent of improved outcomes throughout continuum of cancer care.

Intended Audience

All physicians, especially Gastroenterologists, Hepatologists, Transplant Hepatologists, Surgical Oncologists, Medical and Hematology Oncologists, Radiation Oncologists, General Surgeons, Internal Medicine, Primary Care Medicine, Interventional Radiologists, Radiologists, Pathologists, Residents, Fellows, Physician Assistants, Nurse Practitioners, Nurses, Medical Students and Other Health Care Professionals.

Accessibility

AdventHealth is committed to making its activities accessible to all individuals. If you have an accessibility request, please submit a description of your need(s), along with your registration.

Continuing Education Credits

CME: AdventHealth Orlando is accredited by the Florida Medical Association to provide continuing medical education for physicians.

AdventHealth Orlando designates this live activity for a maximum of *5.5 AMA PRA Category 1 Credit(s)*. Physicians should claim only credit commensurate with the extent of their participation in the activity.

MOC: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 5.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program; and 5.5 MOC points in the American Board of Surgery (ABS) Maintenance of Certification (MOC) program; and 5.5 MOC points in the American Board of Pathology (ABPath). It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM, ABS or ABPath MOC credit.

Nursing CE: This program is approved for 5.5 Nursing Credit Hours.
