

No IV? No Problem: Alternative Routes for Emergency Medication Administration (ACPE)

Date/Time: 12/30/2025 2:00:00 PM **Activity ID:** 22250
Location: AdventHealth Orlando
Topic: This Grand Rounds series will address current issues in disease state management, or drug therapy and patient care.

Location: AdventHealth Orlando Specialties

Specialties: Pharmacy

Faculty Disclosures:

Paola M Reyes Serrano, PharmD (Nothing to disclose – 12-03-2025)

Michelle P. Dillon, PharmD (Nothing to disclose – 12-09-2025)

Lydia B. Fancher, PharmD (Nothing to disclose – 12-12-2025)

Objectives:

After this activity, the participant will be able to:

- 1 Discuss emerging or evolving clinical topics impacting pharmaceutical care at a tertiary care health system
- 2 Apply principles of pharmacology, pharmacokinetics, and pharmacodynamics to optimize medication management and patient care
- 3 Examine current literature related to pharmacotherapy and disease state management
- 4 Utilize pharmacotherapeutic knowledge into clinical decision making by articulating its impact on pharmacy practice within a tertiary care health system
- 5 Review the clinical advantages and limitations, pearls, and device requirements for alternative access when IV access is delayed or unavailable
- 6 Analyze the evidence supporting the safety and effectiveness of alternative routes of administration in emergency situations
- 7 Apply strategies that pharmacists can use to optimize medication administration via alternative routes in special populations

Accreditation:

Accreditation Council for Pharmacy Education (ACPE)

This activity provides 1.00 contact hours of continuing education. ACPE Universal Activity Number (UAN): Pharmacists: 0673-0000-25-001-L01-P
