

Internal Medicine

Vincent Hsu, MD, MPH

Board-Certified Internal Medicine Physician

AdventHealthMedicalGroup.com

Vincent Hsu, MD, MPH, is board-certified in internal medicine, infectious diseases and preventive medicine, and specializes in preventive medicine and primary care. He received his medical degree from Loma Linda University College of Medicine. He completed his residency in internal medicine at Legacy Portland Hospital and his fellowship in infectious diseases at University of Southern California Medical Center. He also obtained a Master of Public Health degree at University of California Los Angeles School of Public Health.

Dr. Hsu spent three years at the Centers for Disease Control and Prevention where he was involved in disease outbreak investigations. His interests include prevention of hospital-associated infections and preparation for pandemic influenza. He has received numerous awards, including several U.S. Public Health Service Awards.
