

Colorectal Surgery

Justin Kelly, MD, FRCS

Colon and Rectal Surgeon

AdventHealthMedicalGroup.com

Justin Kelly, MD, FRCS, is a fellowship-trained colon and rectal surgeon. His areas of expertise include the use of minimally invasive technologies in colon and rectal cancer treatment, including TAMIS and laparoscopic surgery. He specializes in the surgical treatment of both Crohn's disease and ulcerative colitis. He is proficient treating all common anorectal diseases including hemorrhoids, fistulas and rectal bleeding. After completing his medical degree with honors and receiving university national medals in surgery from the Royal College of Surgeons in Dublin, Ireland, he became the first International Fellow in Colon and Rectal Surgery at AdventHealth Medical Group, allowing him to be comprehensively trained on the groundbreaking surgical techniques pioneered by the practice. Dr. Kelly is a member of the American Society of Colon & Rectal Surgeons and the Association of Coloproctology of Great Britain and Ireland.
