

Colorectal Surgery

Jeremy Drake, MD, FACS

Board-Certified Colon and Rectal Surgeon

Jeremy Drake, MD, FACS, is a board-certified colon and rectal surgeon with advanced fellowship training in robotic surgery for colon and rectal cancer. Dr. Drake received his medical degree from the University of Alabama School of Medicine in Birmingham and completed his residency in general surgery at the University of South Alabama College of Medicine in Mobile. He is particularly interested in the screening and treatment of colon and rectal cancers, pelvic floor disorders and benign anorectal diseases, including best practices for management of hemorrhoids and fistulas. In addition to being an award-winning physician, Dr. Drake is a former Division I student athlete and Academic All-American.
