

Biography

Matthew Lambie, PharmD
Pharmacist

Bio

Matt Lambie graduated from the University of Florida College of Pharmacy in 2010. He completed his PGY-1 residency at Indian River Medical Center where he started the Antimicrobial Stewardship Program with his ID physician mentor, Dr. Charles Callahan. Starting in 2014 he worked as the Pharmacy Clinical Manager and Residency Program Director until he moved to Daytona Beach, FL in August of 2017. He now works as the Infectious Disease Clinical Pharmacist Specialist at AdventHealth Daytona Beach where he helps coordinate stewardship activities across the Central Florida Region - North division.
