

Colorectal Surgery

**Teresa H.deBeche-Adams,
MD, FACS, FASCRS**

Board-Certified Colon and Rectal Surgeon

AdventHealthMedicalGroup.com

Teresa H.deBeche-Adams, MD, FACS, FASCRS, is a board-certified and fellowship-trained colon and rectal surgeon, expertly treating diseases and disorders of the colon and rectum. Dr. deBeche has dedicated her career to maximizing outcomes while minimizing patient downtime using the revolutionary surgical procedure TAMIS (transanal minimally invasive surgery), and as a da Vinci® certified robotic surgeon. With regular participation in specialized medical and surgical conferences addressing pelvic floor pathology and GI tumors, she stays on the leading edge of the most advanced technology and innovative techniques. Dr. deBeche is the Director of the Rectal Physiology Lab and a part of AdventHealth Cancer Institute's Rectal Cancer Program, honored as the third program in the country to be accredited by the National Accreditation Program for Rectal Cancer.
