# Your safety is our highest priority

The wellbeing of our wonderful attendees and loyal teams is of paramount importance. To ensure we provide you with the safest possible training experience, we have worked closely with state and local officials and the AdventHealth COVID-19 Task Force to establish the following standards:

- Safety is our top priority.
- Social distancing will be maintained at all times.
- Temperature checks upon arrival. Those with a fever or COVID-19 symptoms will not be admitted into the building.
- Hand sanitizer stations are readily available throughout the building.
- Masks required of all attendees and Nicholson Center staff while on the premise (except while eating). Masks will be provided by the Nicholson Center.
- All catering will be served in grab-and-go style with slight modification to the menus during this period.
- Classroom style seating maintained for all attendees with 1 person per table.
- All cadaveric tissue has a full serology report including COVID-19 testing and date of death prior to November 1, 2019.

# It's best to fly into Orlando International (MCO)

When booking your flights, please note you will need to arrive on Sunday and depart on Thursday. For Domestic departures, please book your flights after 6:30pm; for international departures after 7:30pm. We are about 30 minutes from the airport.

To get to your hotel, we recommend Uber and Lyft. Please expect the ride to cost \$35-\$40.

# Book our favorite hotel

# Bohemian Hotel Celebration

We love the Marriott Autograph Collection, **Bohemian Hotel Celebration**. It is located in the heart of the idyllic town of Celebration, walking distance to many shops and restaurants including Starbucks. The Nicholson Center is less than a 5-minute ride via Uber or Lyft.

To book using our **Corporate Rate** please click [here](#)

Additional photos can be viewed at [www.CelebrationHotel.com](http://www.CelebrationHotel.com)

# Melia Orlando Celebration

If you are looking for more moderate accommodations the **Melia Orlando Celebration** is located diagonally across the road from our hospital campus. Please note they charge a daily resort fee of \$22.70 in addition to the advertised room rate.

To book please visit [www.Melia.com](http://www.Melia.com)

# Arrive by 7:30am on Monday

## AdventHealth Nicholson Center

404 Celebration Place

Celebration, FL 34747

(407) 303-4028

Please come dressed in comfortable clothing. We have private lockers and surgical scrubs available for you to use during the hands-on lab. Please note that our building is typically chilly.

Upon arrival, please check in with our concierge team, located just inside the main lobby. They will provide your course badge, assist you with check-in and direct you to Lab Boardroom 3.

# Delicious food is included

We are pleased to serve a hot buffet breakfast daily that typically consists of eggs, turkey bacon or chicken sausage, potatoes, pastries and fruit.

Enjoy a new lunch buffet each day. We only serve our favorites such as Brazilian, Italian, BBQ and Greek.

Pepsi products – soda, juice and water along with Starbucks coffee are available throughout the day.

Nut mixes and traditional candies are served in the afternoon.

# Expect your day to look like this

## DAY # 1 - MONDAY

08:00-09:00	Welcome/Course Overview/Pre-Test
09:00-10:00	Simulation Laboratory – dV-Trainer
10:00-11:00	Simulation Laboratory: Laparoscopic Skills Review
11:00-12:00	Simulation Laboratory – dV-Trainer
12:00-13:00	Lunch Lecture: Evolution of Surgical Robotics
13:00-14:00	daVinci Si Platform Overview
14:00-15:00	Draping & Port Placement
15:00-16:00	Docking & Instrumentation
16:00-17:00	Simulation Laboratory: Team Training
17:00-18:00	Simulation Laboratory – dV-Trainer
18:00-19:00	Simulation Laboratory – daVinci Skills Simulator

## DAY # 2 - TUESDAY

08:00-09:00	daVinci Xi Platform Overview
09:00-10:00	daVinci Xi Platform Draping & Port Placement
10:00-11:00	daVinci Xi Platform Docking & Instrumentation
11:00-12:00	Team Training: XTT
12:00-13:00	Lunch Lecture: Fundamentals of Robotic Surgery
13:00-14:00	Simulation Laboratory – dV-Trainer
14:00-15:00	Laboratory: Dry Basics
15:00-16:00	Laboratory: Dry Suturing
16:00-17:00	daVinci Platform Troubleshooting
17:00-18:00	Simulation Laboratory - dV-Trainer
18:00-19:00	Laboratory: Dry Dome

## DAY # 3 - WEDNESDAY

08:00-09:00	Simulation Laboratory – dV-Trainer
09:00-10:00	daVinci Si System – Review-Evaluation
10:00-11:00	Simulation Laboratory – dV-Trainer
11:00-12:00	daVinci Xi System – Review-Evaluation
12:00-13:00	Lunch Lecture: Human Factors – Errors & Violations
13:00-14:00	Simulation Laboratory – dV-Trainer
14:00-15:00	Laboratory: Excise Tissue Dissection
15:00-16:00	Simulation Laboratory – dV-Trainer
16:00-17:00	Simulation Laboratory – dV-Trainer
17:00-18:00	Simulation Laboratory – dV-Trainer
18:00-19:00	Simulation Laboratory – dV-Trainer

## DAY # 4 - THURSDAY

07:00-08:00	Laboratory – daVinci Robot
08:00-09:00	Laboratory – daVinci Robot
09:00-10:00	Laboratory – daVinci Robot
10:00-11:00	Laboratory – daVinci Robot
11:00-12:00	Lunch
12:00-13:00	Simulation Laboratory – dV-Trainer
13:00-14:00	Simulation Laboratory – daVinci Skills Simulator
14:00-15:00	Final Course Test
15:00-16:00	Course Evaluation & Adjourn

# Course Description

## Training Overview:

This 4-Day comprehensive Basic Robotic Training Course utilizes a blended training experience that will focus on:

- Defining the robotic surgical platform components, features, setup requirements, and troubleshooting measures.
- Developing the psychomotor skills required to safely operate the robotic surgical platform.
- Demonstrate how the robotic surgical platform is integrated into the operating room setting and how the platform can be best utilized in clinical practice.
- Developing clinical efficiency through comprehensive team training.

During this program, you experience will include; discussions on robotic surgical technology, human factors associated with robotic surgery, surgical skills evaluation tools for robotics, robotic surgical platform training, hands-on simulation, wet & dry lab experiences, and competency development in the skills required to safely operate the Intuitive Surgical daVinci Robot.

The course also includes; developing efficiencies within the healthcare team, extensive evaluation of your robotic skills throughout the course, access to robotic surgical resources to aid in your practice, a comprehensive follow-up evaluation following the course to ensure your making the most out of your training. This training is available to surgeons, fellows, and residents that are interested in safely transitioning learning into practice and developing competency in robotic surgical skills.

## Program Objectives:

- Identify the specific robotic platform components, settings, and features required to safely utilize and operate the robotic surgical platform.
- Demonstrate the proper robotic platform pre-operative setup, troubleshooting measures, and emergency procedures required to safely operate the robotic surgical platform.
- Demonstrate competency in the following core robotic psychomotor skills; Endowrist Manipulation, Camera Navigation, Instrument Clutching, 4<sup>th</sup> Arm Application, Energy Application, Needle Driving, Surgical Knot Tying, and Suturing.
- Demonstrate competency in the basic skills required for the surgical 1<sup>st</sup> assistant to include; Camera Navigation, Instrument Insertion, Item Hand-off's & Transfers, Cutting, Retraction, Suctioning, Irrigating, Energy Application, and Hemoclip Application.
- Recognize the roles and responsibilities of each robotic surgical team member and competently perform the proper setup of the robotic surgical platform for a surgical procedure.

# Claiming CME

We are pleased to offer 38 Credit Hours for this course.

Please follow the steps below:

1. Visit <https://adventhealth.cloud-cme.com/default.aspx>
2. Click “Sign In”, select “ALL OTHERS”- use the email you completed registration with.
3. Enter your password. If you do not remember your password, click "Forgot My Password" and follow the prompts accordingly.
4. Once logged in, click the green *My CME* button on the right-hand side of the page.
5. Select *Evaluations and Certificates*. *If the evaluation is not available, please make sure your tests have been completed.*
6. Select *Complete Evaluation*. You **MUST** complete the evaluation in order to receive your certificate. Once submitted, your certificate will be available for digital view, download and printing.

# Finer points

**WIFI** – Nicholson Center has WIFI throughout the building. The best network is Nicholson Center Guest. No password is needed.

**Recordings** – The use of photographic video, audio or recording devices is not permitted at any time in the lecture room or lab.

**Luggage** – During the last day of the course our concierge team will be delighted to hold your bags for you.

**Refunds/Date Changes** - Should you need to change or cancel your course registration, fees will be 100% reimbursed up to sixty (60) days prior. Any cancellations made after this time will incur a 30% administrative fee. Please note that in order to avoid a lengthy administrative process all refunds must be processed within 120 days of the original purchase date.

# Our Favorite Restaurants For Dinner

## Walking Distance from Bohemian Hotel Celebration

- Columbia Restaurant
- Celebration Town Tavern
- Imperium Food & Wine
- Ari Sushi
- Thai Thani

## Walking Distance from Melia Orlando Celebration

- Pei Wei
- Panera Bread
- Chipotle

## Disney Springs

- The Boathouse
- Enzo's Hideaway
- Raglan Road
- The Edison
- Morimoto Asia

# Fun Places to Explore

Drive for 15 mins to discover Orlando

- Walt Disney World including Disney Springs
- Universal Orlando Studios
- SeaWorld
- Orlando Premium Vineland Outlets\* which offers over 300 luxury and name brand stores Including Gucci, Prada, Michael Kors, MCM and more.

DISNEY  
SPRINGS
