

The Center for Interventional Endoscopy Presents

**6th Annual
Orlando Clinical Updates in
Inflammatory Bowel Disease**
April 18, 2020

JW Marriott Orlando, Grande Lakes
Orlando, FL

Advent Health

About the Center for Interventional Endoscopy

The IBD unit at the Center for Interventional Endoscopy provides state-of-the-art, comprehensive care for patients with complex IBD. Our mission is to be at the forefront of research and foster cutting-edge clinical trials of the latest treatments. A specific emphasis of our program is on the endoscopic management of IBD complications including strictures, fistulae, leaks and early-stage tumors, serving as a regional, national and international referral center for patients who may benefit from these interventions.

COURSE DIRECTOR

Udayakumar Navaneethan, MD, FACC

ORLANDO CLINICAL UPDATES IN INFLAMMATORY BOWEL DISEASE

- 7:30 - 7:55 am **Registration and Continental Breakfast**
- 7:55 - 8:00 am **Welcome by Udayakumar Navaneethan, MD**
- 8:00 - 8:30 am **Positioning anti-TNFs in the management of moderate to severe inflammatory bowel disease** | *David Rubin, MD*
- 8:30 - 9:00 am **Use of anti-adhesion molecules in the management of inflammatory bowel disease** | *Raja Atreya, MD*
- 9:00 - 9:30 am **Use of anti-IL-12/23 medications in the management of inflammatory bowel disease** | *Remo Panaccione, MD*
- 9:30 - 9:50 am **Positioning JAK inhibitors in the management of inflammatory bowel disease** | *David Rubin, MD*
- 9:50 - 10:10 am **Immunomodulators in the management of IBD patients** | *Bo Shen, MD*
- 10:10 - 10:30 am **Case discussion: Choosing between different biologics**
- 10:30 - 10:45 am **Coffee Break**
- 10:45 - 11:05 am **Management of IBD in women: Preconception to peripartum management of patients with IBD** | *Marla Dubinsky, MD*
- 11:05 - 11:25 am **How to manage biologics in the peri-operative period and management of Crohn's disease after surgery** | *Marietta Iacucci, MD*
- 11:25 am - 11:45 pm **Management of IBD in children – Special considerations** | *Marla Dubinsky, MD*
- 11:45 am - 12:05 pm **Therapeutic drug monitoring in clinical practice – Pro-active vs. reactive**
Remo Panaccione, MD
- 12:05 - 12:25 pm **Treat to target: Incorporating endoscopy and bio-markers in the optimal management of IBD** | *Udayakumar Navaneethan, MD*
- 12:25 - 12:45 pm **Case discussion: Therapeutic drug monitoring and treat to target**
- 12:45 - 1:15 pm **Lunch Break**
- 1:15 - 1:35 pm **Optimal management of perianal CD** | *Bo Shen, MD*
- 1:35 - 1:55 pm **Chromoendoscopy and other advanced imaging in cancer surveillance in IBD**
Marietta Iacucci, MD
- 1:55 - 2:15 pm **Molecular endoscopy in IBD** | *Raja Atreya, MD*
- 2:15 - 2:35 pm **Basics of J pouch and management of pouch-related inflammation** | *Bo Shen, MD*
- 2:35 - 3:00 pm **State-of-the-art: The future algorithms in IBD management – Integrating current and future therapies** | *David Rubin, MD*
- 3:00 - 3:30 pm **Predicting treatment response in IBD – “Personalized medicine in IBD”**
Raja Atreya, MD
- 3:30 - 4:00 pm **Case discussion and concluding remarks**
- 4:00 pm **Adjourn**

CME Information

April 18, 2020 | Saturday

AdventHealth Orlando is accredited by the Florida Medical Association to provide continuing medical education for physicians. AdventHealth Orlando designates this live activity for a maximum of 7.20 AMA PRA Category 1 Credit(s)[™]. Each

physician should claim only those hours of credit commensurate with the extent of his/her participation in the activity.

Americans with Disabilities Act

AdventHealth is committed to making our activities accessible to all individuals. If you have a disability, please submit a description of your needs, along with your registration, to ensure that you will be able to participate in this activity.

MOC Credit

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 7.20 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit. The participant will only receive the MOC points upon successful completion (75% or higher) on post exam.

CEU

Nursing Continuing Education Credit Hours have been applied for through the Florida State Board of Nursing Provider Number NCE2012/CEBroker Provider Number #50-724 and are pending approval.
