### Physician Panelist Question & Answer Session

### Objectives:

Describe new data, controversies, research findings, and other advances in the subspecialty and related specialties of Oncology so that Physicians may stay current with developments within the field.

Review pathophysiology, diagnosis, and management of common diseases and diseases of 'special interest' within the field of Oncology so Physicians can improve knowledge and competence.

Integrate recent and pertinent developments in the Oncology field geared towards specific Tumor Sites engaged with live multidisciplinary discussion, components of clinical case report, discussion of published literature, and clinical expertise that results in improved knowledge and competence.

### Target Audience: South, North, West & Beyond

All physicians, especially: Gastroenterologists, Colorectal Surgeons, General Surgeons, Surgical Oncologists, Urologists, Urologic Oncologists, Nephrologists, Medical and Hematology Oncologists, Radiation Oncologists, Primary Care, Internal Medicine, Radiologists, Pathologists, Hospitalists, Fellows, Medical Students, Residents, Physician Assistants, Nurse Practitioners, and other Health Care Professionals.

AdventHealth Orlando is accredited by Florida Medical Association to provide continuing medical education for physicians. AdventHealth designates this live activity for a maximum of *1.5 AMA PRA Category 1 Credit™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.
